I agree about December 21 as this is reasonable that a shutdown could last up to Christmas (maybe). I think by Jan 8 – 12 we will likely be back at work and no longer in a shutdown.

Gary – if there is a shutdown, we will not have anyone other than the PDO and the OSC on site working. There won't be a newbie available to take the phones. Thus, we need to identify an OSC who can oversee the work at FJ Doyle on 12/21/2018, since you are serving as PDO.

If we don't have a shutdown, we can have someone cover phones.
